

THE AIR UNIVERSITY

Increasing the Speed of Decision-Making Through Empowerment and Training

9 Dec 2016

Group Thunderbolt, SOS Class 17C
Capt Nathan Rings – Capt Rob LaFleur – Capt Bryan Mazer

Empowerment

- Empower lower echelons by correcting:
 - Lack of Doctrine
 - Ignored / Misapplied Doctrine
 - Lagging Doctrine
- Must be supported with proper training...

Training

- Revised training:
 - Sister-Service Asset Awareness
 - Creating CGO JPME
- Enhanced Joint Training

Implications

- Doctrine:
 - Doctrine-R&D integration
 - Frequent doctrinal review with warfighters
 - No shift in structure, shift in mindset
- Training:
 - Initial set-up resources (non-recurring)
 - Sustainment resources (recurring)
 - Better joint integration = faster decisions
